

COVID-19 SCREENING & REPORTING ILLNESS

Please assist us in keeping everyone healthy and safe. Please take a moment each day to monitor your and your child's health and do not come to dance if you are displaying any COVID-19 symptoms or have tested positive for COVID-19. No one should enter Centre for Dance if any of the following apply:

- Sick with symptoms that could be COVID-19.
- Has a confirmed case of COVID-19 or has been in close contact with a person with a confirmed case of COVID-19. These individuals must follow all isolation and quarantine guidelines from the local health authority or their physician.
- Has a household member who is awaiting COVID-19 test results, or who is awaiting their own test results.

If any of the above conditions apply, please email the office at office@centrefordance.com. Dancers and staff who have tested positive for COVID-19 or are experiencing symptoms of COVID-19 will be permitted to return to CFD when:

- They are 24 hours fever-free without using fever-reducing medication; AND
- Symptoms improved (cough, difficulty breathing, etc.); AND
- 10 days have passed since symptoms began

If a dancer wishes to return to classes prior to meeting the above criteria, they must obtain a medical professional's note clearing them for return based on an alternative diagnosis OR receive a negative PCR or antigen test.

Thank you in advance for supporting Centre for Dance, and your help to keep everyone safe and healthy.
